

I am writing to respond to the possibility that the Wisconsin No Call List might be changed to a more lenient standard. My husband and I signed up for the No Call list for a reason - that is to stop some of the constant unwanted calls we receive. Under NO circumstance do we wish to lesson the standard for the Wisconsin No Call List! The people who wish to receive unwanted calls do not have to sign up on the list. We - the people who have signed up NOT to receive these unwanted harassing calls deserve to have our rights respected!

Thank You,
Barb and Roger Paupa
